NDSBA offers online policy manual hosting to school districts that have completed an NDSBA review of their policies. This service allows districts to search their policy manuals online by keyword, title, or descriptor code. Policies are hosted by NDSBA and updated by NDSBA staff when prompted by participating school districts.

**POLICY UPLOAD FEE:** Required Template: \$500

**Total Template: \$1000**

**SAMPLE:** <http://ndsba.org/policies/northstar/index.asp>
